The order denying Mother's section 388 petition is affirmed. The order terminating parental rights is reversed and the matter is remanded for the DCFS to comply with notice requirements of the ICWA. If, after Indian entities receive proper notice under the ICWA, Elijah, Armonie, and Julian are determined not to be Indian children and the ICWA does not apply, the juvenile court should reinstate the order terminating parental rights. Alternatively, after Indian entities receive proper notice under the ICWA, if Elijah, Armonie, and Julian are determined to be Indian children and the ICWA applies to these proceedings, Mother is then entitled to petition the juvenile court to invalidate orders which violated 25 United States Code sections 1911, 1912, and 1913.
